SPECIAL Area RUGS for your HOME

FLOKATI WOOL RUG - Deep, thick & soft, this white Flokati hand-woven rug has multi-uses; a cover for floor or bed, wall-hanging or as background in photography. Wool Flokati rugs, legendary for strength & beauty, originated as in Greece & made with pure natural sheep's wool that's spun into yarn & woven to create long loops. The pile is then cut by hand, washed in mountain waterfalls & whirlpool baths for hours to fluff the long yarns into luxurious lively softness. They wear long and well & keep their sheen & softness year after year. Consider this a fine investment in lasting loveliness.

2 TIBETAN WOOL RUGS - Exquisite carpet art made in modern designs by ancient technique from fine Tibetan wool & dyed with 100% natural vegetable dyes. Durable, lasting & magnificent rugs to hand down to future generations.
