## **108 Waybrook Dr. Anderson, SC**

This former cabinet shop which was owned and operated by Butch Sonfelt, would make a great location for many businesses. Conveniently located off of E. Shockley Ferry Rd. at the end of this quiet street, is nice block building which has close to 4000 feet of open work space, with two roll up doors, office and attached garage. Woodworking equipment is still in place fully operational and ready for you to start your own business. **Property ID# 165**

### **From Anderson:**

Directions to property: From South Main St. Turn left onto Shockley Ferry Rd. then right onto Waybrook Dr. Property on the right.

**Watch For Signs**
