

Real Estate Agent Registration Information Sheet

Terms of Broker Participation

BROKERS WELCOME! Any broker actively licensed in Indiana whose agent properly registers the successful buyer will be paid a 3% commission based on the final, verbal bid price at settlement. Registration must contain agent's name, company, phone number and the agent's license number, as well as, the prospect's name. A faxed copy must be received 24 hrs. prior to the time of auction. Additionally, the agent must attend sale and co-register with the prospect on auction day. Agents who represent prospects who have had prior contact with the seller or the auction company are not eligible. Additionally, agents representing themselves or family members must register. The buyer's fee or premium will not be waived in lieu of payment of a buyer's agent commission, unless written permission from agent's principal broker is received by auction company. Agents are strictly prohibited from distributing marketing materials, business cards, listing sheets and similar items to other attendees of the auction. Such behavior will not be tolerated and will terminate this and all future participation agreements.
