RE: No Further Action Request
Waterland Trucking Service Facility, SRS 01164
Newbern, Tennessee

Dear Mr. Lemons:

The Division has received and reviewed the Subsurface Soil Investigation Report, dated December 22, 2009, for the former holding pond located at the Waterland Trucking Service Facility, located at 13231 Highway 211, Newbern, Tennessee. Given the information supplied to the Division in this and previous reports, the Division agrees with the recommendation that no further action is warranted for the former holding pond with regard to this issue. However, if additional information should be discovered at the facility, the Division reserves the right to reevaluate the no further action status of the site.

If you have any questions regarding this matter or wish to discuss this further, please feel free to contact me at (615) 532-9304.

Sincerely,

Peter Bobo
State Remediation Program
Division of Solid Waste Management
