**Developer Ordered Auction – 65 Townhomes and Villas
“Marsh Harbour”
1000 Marsh Harbour Drive, Riviera Beach, Florida 33404
Saturday, March 13th, 2010 @ 11:00 A.M. E.S.T.**

WHY IS THERE AN AUCTION?

The Developer has chosen the Auction method of marketing in an effort to accelerate the closeout on the sales process for the remaining available Townhomes / Villas (“Units”) in “Marsh Harbour”. In this Auction, both the Buyers and Seller should be pleased. The Buyers should be able to obtain their selected Units offered in this Auction at reasonable prices.

WHAT DOES IT MEAN WHEN A PROPERTY IS SOLD ABSOLUTE AND WHEN A PROPERTY IS SOLD SUBJECT TO THE SELLER’S APPROVAL?

Twenty (20) of the Units will be sold at Absolute Auction. This simply means they will be sold to the Highest Bidders regardless of Price – “No Minimums, No Reserves”. The remaining Units will be sold to the Highest Bidders subject to the final approval and acceptance of the price by the Seller. They are definitely motivated to sell!

WILL THERE BE ANY FINANCING AVAILABLE?

The Seller approved Purchase and Sale Contract is not subject to the Buyers obtaining financing. Per the approved General Terms and Conditions of Sale, closings on the Units will take place on or before Monday, April 12, 2010. All Buyers are urged to contact their lending institutions for loan pre-qualification. Additionally, Magellan Mortgage Group (561.804.4562) and QLending (305.598.1876) will be offering financing programs.

WHAT TITLE ASSURANCES WILL THE BUYER RECEIVE?

The Seller will provide a Title Insurance Commitment / Policy for the Units purchased and will be available at the Seller's expense.

IS THE INFORMATION PROVIDED IN THE BROCHURE AND NEWSPAPER ADS GUARANTEED?

Buyers shall rely entirely on their own information, judgment and their inspection of the Units.

WHAT IS A 10% BUYER'S PREMIUM?

We will be utilizing a 10% Buyer's Premium for this Auction. Simply stated, if the offer is \$50,000.00, (example only), the Total Contract Price would be \$55,000.00. If you are unsure of this concept, realize if you only want to purchase a Unit at approximately \$50,000.00, - bid \$45,000.00. The Total Contract price would read \$49,500.00.

WHAT DOES IT MEAN TO BUY THE PROPERTY "AS IS"?

In a Sale such as this, when numerous issues are involved, errors are possible. Again, buyers must rely on their own inspection, judgment, records and own information. There is no post due diligence period. The Units will be sold "AS IS" as indicated in the General Terms and Conditions of Sale. All announcements from the Auction block will take precedence over any previously printed material or other oral statements made.

WHAT IS "HIGH BIDDER'S CHOICE"?

All of the Units will be sold on a "High Bidder's Choice" concept. This means that they will be sold on a high bidder's choice basis and will all be available on the "menu". The first high bidder will have their choice and come up to the Auctioneer to announce what Unit he/she wants. When the Bidder chooses a specific Unit, it would be crossed off the inventory on the slide screen and then only 64 Units would be available on the "menu". The high bidder can only take up to two Units on any given bidding round - so prospects are encouraged to bid as high as they can, so their choice Unit won't be selected.
