Deposit must be in the form of cash, a cashier's check, certified check, or pre-approved personal check. The deposit of the high bidder will be held as Down Payment, in a trust account pending closing of the sale of the property. Buyer's Premium: A Buyer's premium of five percent (5%) will be added to the high bid to determine the final contract price to be paid by the buyer. Property Inspection: Prior to bidding, the Buyer agrees to physically inspect the property, and to rely exclusively upon this inspection to determine the property's physical condition, to guide the buyer's bidding. If Buyer has not inspected the property, he forfeits his right to do so and contract is binding. Prospective bidders and/or their representatives assume all expenses, risks, and responsibilities associated with the inspection of the property. Properties will be open for inspection at the date and time as specified on that property's information page or by special appointment when applicable.
