"Specializing in the sale of Real Estate by Public Auction"

Thanks for coming & good to see each and every one of you again. The Hummel community and family has been a significant part of our lives for over 3 decades, making friendships and business associates which stand the test of time. Today we are selling the private collection of Carol Moysey.

Carol Moysey's parents were born in Germany and later came to the United States. When Carol would tour Germany (5 trips total) she would purchase various pieces to bring back and add to her collection. This auction consists almost exclusively of her pieces, all selling absolute, to the highest bidder.

We realize your expertise in Hummel Figurines is much greater than ours. We do not profess to be experts, only reliable auctioneers who will conduct this auction in the best interests of the auction profession. We feel that with your attendance and our auction techniques, we all will have a successful auction.

All lots will be projected on a 6" video screen for better viewing. We hope you find this service one which helps you identify each lot sold. We can deliver your purchases to you after your winning bid, or we will set them back so you can pack it after the auction. Boxes and limited tissue wrapping paper is provided.

My wife Debbie will be providing refreshments during the two breaks we will take during the auction. We provide this service free of charge, I hope you enjoy.

Thanks for coming, and as I always say ... *"See you at an Auction!"*

On Site Policy, Terms & Conditions

1. We guarantee the age and authenticity of each item to be as represented in the catalog, or at the time of the Auction. Descriptions and references are taken from the works of Robert L. Miller, noted Hummel Author. All Book Values are taken from Robert L. Miller's Price Guide. Terms and conditions on your bid card apply as well, please read them over.
2. Absentee Bids are accepted with pre-approved credit card information. We reserve the right to open absentee bids at 80% of the bid price. We assume no responsibility for failure to execute these absentee bids. A 15% buyer premium will apply as well as shipping fees.
3. The Buyer assumes 100% responsibility of articles at the time of purchase. All risk of damage or loss is borne by the purchaser at the time the Auctioneer says "SOLD".
4. In the event of a tied or disputed bid, the auctioneer is the sole determinant as to who is the successful bidder. When the Auctioneer says "Sold" ... the item is sold! There is not a situation commonly called "a tied bid." Small bids made in a manner which the Auctioneer may deem detrimental to the auction may be refused.
5. All purchases must be paid for the day of the Auction by CASH, CHECK, VISA or MASTERCARD. Personal checks are accepted from established customers with satisfactory identification and photos may be taken. If a Buyer is in doubt as to whether a personal check will be accepted, they should bring a cashier's check or money order.
6. Ohio sales tax is applicable to all purchases.
7. This auction will be audio and video tape recorded. The auctioneer reserves the right to video tape any and all activity in and during the auction. Purchasers may be requested to have their photos taken if writing a personal check for payment of their account.
8. All items are sold to be damage free unless mentioned in the catalog, or at the time the item is sold. Buyer should check all descriptions. We allow returns if flaws were not announced, provided the return is done within approximately the following 10 items sold. After that time, all sales will be considered final. Under no circumstances are sales voided after the Auction. PLEASE NOTE that crazing and age marks are not to be considered damage. If these age marks bother you, please bid accordingly. We will not refund any piece due to crazing or age lines.
9. Kramer & Kramer Inc. Auctioneers - Realtors are full time auctioneers licensed in Ohio and Indiana with over 100 years of honest, faithful service. Our assistant auctioneers and auction staff are knowledgeable and we trust their decisions. We conduct our auctions with integrity, and we expect our auction attendees to conduct themselves in a respectful manner and with integrity.

We appreciate and thank you for your attendance.
