

I, Joseph E. Conn, Jr, A licensed land surveyor in the State of Alabama hereby certify that this is a true and correct plat and legal description of my survey as shown and described hereon; That there are no visible structural encroachments of any kind upon the subject property except as shown and noted hereon; That the Metal Building and related improvements are within the bounds of the property as shown hereon; That steel capped corners and / or crimped pipe corners have been found or installed as shown and noted hereon. I further certify that I have consulted the Federal Insurance Administration's Flood Hazard Panel for the area and have determined that the subject building is not in a special flood prone area and that this survey and (his plat meet the Standards for the practice of land surveying in the State of Alabama, the correct legal description being as follows:

Commence at the northwest corner of the northwest quarter of the southwest quarter of Section 14, Township 21 south, Range 3 west, Shelby County, Alabama and run thence S 00° 25' 04" E along the west line of said quarter-quarter a distance of 410.38' to a point; Thence run S 89° 25' 34" E a distance of 602.35' to a point on the west margin of Alabama Highway No. 119; Thence run S 02° 06' 34" E along said margin a distance of 430.0' to a set rebar corner and the point of beginning of the property being described; Thence continue last described course a distance of 10.27' to a set rebar corner; Thence run S 05° 24' 34" along said margin of said highway a distance of 189.73' to a set rebar corner; Thence run N 88° 36' 40" W a distance of 210.08' to a found pipe corner; Thence run N 05° 18' 39" W a distance of 197.00' to a set rebar corner; Thence run S 89° 25' 29" E a distance of 210.01' to the point of beginning, containing 0.91 of an acre.
